

RACING SEASON 20XX

RULES FOR DART GAMES OPERATORS

The rules approved by the Gambling Regulatory Board as per section 57(3)(a) for Dart Games Operators.

1. Your licence is valid only for dart games organised within the precincts of the racecourse during period DDMMYYYY to DDMMYYYY and renewable for period DDMMYYYY to DDMMYYYY.
2. The dart games should be played with 3 conventional darts.
3. The size of the dart board should be as approved by Gambling Regulatory Board – square of size 30 units or 36 units; rectangle 30 by 36 units.
4. The dart board should be 12 ± 1 feet from the dart player.
5. Each individual number 1 to 6 should be well scattered and housed in identical squares of size one inch on the dart board.
6. There should be on the board 30 or 36 sets (as per 5 above) arranged in a definite pattern approved by the Gambling Regulatory Authority. Vide illustration annexed.
7. The approved table layout should be within arm's length of players.
8. Odds offered for different winning combinations and the minimum and maximum authorised bet should be clearly indicated on the table layout.
9. No Dart Games Operator should refuse a minimum or a maximum authorised bet.
10. No bet should be accepted at the time a dart is thrown.
11. Once the controller/ supervisor announces the number struck by the dart on the board, it will be considered valid and a winning number irrespective of whether the dart stands on the dart board or not.
12. Payment to winning players should be effected on the spot.

Any failure on your part to comply with any condition of this licence, any rule for operating dart games or any provision of the Gambling Regulatory Authority Act 2007 may entail any action that the Authority may deem fit.
