On continuation of the inquiry, Jockey Perez was found guilty of a contravention of Rule 43.2.1, in that after securing a one-off position behind the leader, when the pace was a regular one, instead of settling his mount to give it a breather between the 1000m to the 700m, he allowed his mount to stride forward wanting to secure the lead and thereby failing to take all reasonable and permissible measures to ensure that QUATRO FIVE SIX was given the full opportunity to obtain the best

RACE 5: THE BET 593 DEAD HEAT CUP 1500M – [BM 56]

ABSOLUTIST slow into stride.

WILLIE JOHN jumped awkwardly and was slow to begin.

SPIRIT'S UNITE raced wide in the early stages. An inquiry was held into the handling of ZOOMIE and evidence was taken from Jockey Manuel Nunes and Trainer Ramapathee Gujadhur. Jockey Nunes explained that he opted to stay in a one-off position close to SPIRIT'S UNITE, which he considered to be his main danger in the race. On questioning as to whether there was an option for him to take an inside run approaching the 400m, he stated that he had already made the decision to opt for an outside run since he could not risk having VAN HUNKS not leaving the rails. It was at the very moment he executed his chosen option, that VAN HUNKS left the rails thereby creating a gap, albeit too late, for him to take. Trainer Ramapathee Gujadhur stated that in hindsight this was the better option at the time Jockey M. Nunes had to make his decision. After hearing the evidence, the Stewards decided not to proceed further with this inquiry, having been satisfied that the explanations of Jockey Nunes were plausible on a reading of the film of the race.

Approaching 600m, ABSOLUTIST was urged forward, failed to respond and gave ground to the field. Jockey Rama signed and Admission of Guilt for a contravention of Rule 29.2.3 in that whilst riding the horse ABSOLUTIST, he used his whip in an improper manner when this horse had no reasonable prospect of improving its position. He was fined MUR 2,000.

Leaving the 600m, WILLIE JOHN was switched to the outside of ZOOMIE to improve his position. ZOOMIE was taken out to improve its position resulting in WILLIE JOHN being eased and taken back inwards.

RACE 6: THE BET 593 – MTC BICENTENARY TROPHY G2 1500M – [BM 60+]

Upon arriving at the start, Jockey Nunes expressed concern regarding the soundness of ITSRAININGWILLIAM. It was examined by the Regulatory Veterinarian and found to be lame near fore. Upon recommendation of the Regulatory Veterinarian, the Stipendiary Stewards ordered its withdrawal. In view of this, the Stipendiary Stewards have suspended the horse for seven days and advised Trainer Gujadhur that ITSRAININGWILLIAM will be

required to pass a barrier trial, to their satisfaction, prior to being eligible to race again. All monies invested on ITSRAININGWILLIAM were ordered to be refunded. A deduction of 20 cents per rupee was declared.

On inquiry, Trainer Gujadhur explained that ITSRAININGWILLIAM had been fitted with leather wedges on both fore hooves, on advice of the farrier during the preceding week and this may have contributed to the deterioration of the gelding's fitness leading up to the race. The Stipendiary Stewards drew Trainer Gujadhurs' attention to the rules of racing where specially fitted shoes should be declared and that the Stipendiary Stewards should be notified in terms of Rule 38.2.1.

From leaving the 1100m, when the pace slowed, MERIDIUS commenced to overrace and was taken out from behind THE GATEKEEPER and allowed to stride forward to secure the lead.

After the running of the race, Trainer A. Nagadoo requested permission to view the footage of the home straight and lodged an objection against the winner, WILLIAM IRON ARM, on the grounds of interference in the home straight and being crossed in the closing stages.
