**Betting Decision - Race 3 - The MY.T Challenge Cup**

On Friday 26 September 2025, in the afternoon, a request was received from Paul Foo Kune Stable through the HRO to add a “Tongue Tie” on SUPERIOR FORCE since this gelding had raced with that equipment in all but one of its races in Mauritius. After considering the matter, permission was granted and a Communique was released by the HRO to that effect. Following the monitoring reports received from the Betting and Racing Analysts of the Horse Racing Integrity Division of the Gambling Regulatory Authority in relation to the evolution of betting in Race 3 of the 7th race meeting, The MY.T Challenge Cup, the Board of Stipendiary Stewards detected a betting trend on horse no. 4 SUPERIOR FORCE, shortly before the Communique of the MTCJC was issued at 15:30, whereby the public was informed that this horse would be allowed to run with a ‘Tongue Tie’ as it usually does.

After careful consideration, the Board of Stipendiary Stewards, taking into consideration the protection of the betting public, decided that the circumstances warranted the cancellation of all bets in that race pursuant to their powers under Rule 12.19 of the Rules of Racing. All betting in that race was cancelled effective 10 p.m. on 26 September 2025 at all Bookmakers. All bets placed before the issue of the Communique were requested to be refunded and betting on that particular race was re-opened with all receipts attesting to new bets bearing a special mention to this effect.

### **Prior to the running of Race 4**

Following a surprise inspection behind the starting stalls prior to Race 4, the Stipendiary Stewards observed one of the casual workers using a mobile phone. At an inquiry held into this matter, the Stipendiary Stewards took evidence Mr. Curtis Cango, a casual worker who confirmed that he was using a mobile phone in contravention of Rule 16 of the Racing Calendar. Having been satisfied that the use of the mobile phone was not racing related, Mr Cango was issued with a severe reprimand and was advised that he may not carry any communication device on his person behind the starting stalls in the future.

The following trainers and jockeys appeared before the Stipendiary Stewards to confirm their instructions and discuss their intentions in their respective races:
