Passing the 1200m, was taken inwards, which resulted in **Flag Champ** becoming inconvenienced when awkwardly placed close to its heels. Jockey Sooful was shown video footage of this incident, issued with a warning and advised that in future, he should ensure that he is well clear of horses before shifting ground. When questioned with regards to its apparent poor performance, Jockey Sooful explained that at its last start, it was drawn one and had benefited from a run on the rails in midfield and when asked for an effort, it quickened to win well. He added that for today's race, **River Hawk** had pleased in the lead-up and as such, a forward showing as expected. He further stated that **River Hawk** had jumped better than expected, and leaving the 1300m, it raced wide without cover as such, he had to use his mount approaching the 1200m to secure a position ahead of **Flag Champ** and from then onwards, **River Hawk** commenced to race fiercely and despite his best endeavors, refused to settle, with the bridle's head strap becoming slightly displaced. He concluded that when asked for an effort leaving the 400m, **River Hawk** failed to quicken and was very disappointing. A subsequent veterinary examination of this gelding revealed it was blowing hard.

However, despite having a long rein, it threw its head sideways on jumping, losing ground. He added that instead of urging

it forward to bridge the gap to the rest of the field, he decided to let it do it in its pace, which he eventually did passing the 600m. He concluded that when asked for an effort leaving the 450m, **Lets Play Poker** failed to quicken and was disappointing.

It was established that passing the 150m, when being ridden with the whip in the right hand, **We Have Touchdown** commenced to shift ground outwards, carrying **Brave Bomber** outwards, with Jockey Kumar putting his whip away passing the 100m and straightening his mount. **Brave Bomber** was then switched to its inside to continue going forward. The Stipendiary Stewards took into consideration the margin at the finish and despite being carried out wide, Jockey Juglall never stopped riding his mount, with **We Have Touchdown** increasing its lead over the concluding stages.
